

Vision 3 Release DLM 870

Summary of Changes

Vision 3 release **DLM 870** contains the following:

Northern Ireland only

- **GP2GP - GP2GP** enables the electronic transfer of computerised patient notes from a patient's previous practice to a new practice, when they register for primary health care, within Northern Ireland.

 **Note - GP2GP** is not available until it is enabled by your Trainer on your designated training day.

 See [GP2GP - Northern Ireland](#) in the **Consultation Manager** Help Centre or the [GP2GP User Guide Northern Ireland](#) for full details.
