

Vision 3 Release SIS 10645

Summary of Changes

January 2023

The following changes are included in the **Vision 3** release **SIS 10645**:

Vision+ Calculators

- We have removed the **Electronic Frailty Index (eFI) Calculator** from **Vision+** in preparation for a new **Electronic Frailty Index (eFI) Calculator** to be released.

Northern Ireland Only

- **Vision+** is updated in line with **QOF39 Business Rules** for Northern Ireland only. This includes the following:
 - Notification Alerts
 - Data Entry Templates
 - Practice Reports
 - Contract Manager

 **Note** - The temporary **QOF Templates (Northern Ireland) [1873]** data entry form is now unavailable due to the **QOF39 Business Rules** update.
