

Pharmacy Intelligence Hub Release - June 2022

Summary of Changes

June 2022

In this release we have introduced the following new features and improvements:

All Countries

- **Owings League Table** - The **Owings** table now displays the items labelled last month and a percentage of items owed across all pharmacies in your group:

Store	Owings Total	Items Labelled Last Month	Percentage of Items Owed ↓
EPS returns drill down Test Store	1	2	50.0%
Owings Percentage Store	10	30	33.3%
Edlington Martinwells Centre	195	3316	5.88%

See [Uncollected Prescriptions & Owings](#) for more details.

England only

- **EPS Returns** - You can now drill down to store level for a view of individual EPS prescriptions being returned to the NHS Spine after dispensing:
